It certainly was an outstanding effort to attend; we understand the Yarmouth ferry trip was anything but enjoyable !! And then to make matters worse the wind continued to blow hard for the return trip. We're sorry, Bog Riders ! Next time we will try to have better weather for you.

The banquet itself was prepared by Al Mullington and his crew. The roast turkey, dressing, cranberry sauce, pickles, apple pie, etc. was all delicious. Following the blessing, said by Fran O'Brien, we all pitched in and enjoyed the meal. A special gift to the club was donated by June Quartermain; she donated \$100 to the building fund. June was thanked Pres. Burrell and given a good round of applause by all members and guests present. Thank you June !

Trophies and awards were then given out by Pres. Burrell and Vice O'Rourke.

Winner of the special "74th Crusaders Security Award for 1993" was Fred Maxner. Fred worked long and hard to earn this award and he richly deserves it. The crowd thought so too, and Fred received a good round of applause.

Following the awards ceremony a dance was held with D J's Grant Dares and Mark Thompson. They had a great combination of music, something for everyone, and the volume was just right !! Thanks boys; you did a real good job. The party continued on well into the night and everyone seemed to be having a great time. Thanks to the organizers, cleaners, decorators and all who helped in so many ways.

PARTY PARTY PARTY:

Annual Christmas Party was held Dec 11th. POT LUCK. Great food, gifts were given out, Santa Clause as promised arrived.

NEW YEARS EVE: See Entertainment Chairman Jackie Sabean. We are supposed to be having a New Years Eve Party this year. Should be a blast !
Please attend meetings..... that way you'll be kept up to date.

What ever happened to Wally Homer and Alex Mattice ?? Ever since these guys got (pardon the-expression) " Harleys" we have not seen them at many events. Time after time the poker runs and rallys and so forth would be jam-packed with Hondas but we never saw Wally or alex (although we used to years ago, when they had Japanese bikes); so if anyone knows why that is, please let me know. I am so curious.

Oh yeah, thanks for the Harley Christmas card guys. We hung it back of the stove.
Congratulations to Cliff and Cindy. She's sporting a big engagement ring and Cliff is walking tall these days.

I.M.E.A. newsletter is now at the club. Good reading. Thank's guys.
